**Directions:** Turn off Hwy 20/49 left onto Hwy 49 just outside of Nevada City. Turn right onto North Bloomfield Rd at the stop light. Take the first left off No. Bloomfield to Wet Hill Rd. (If you see a Lake Vera Rd sign, you've gone too far). Go approximately ¼ mile to 15332 Wet Hill Road on your right. Iron gates designed and built by Lerry with tree designed by Sue will be open. Enter.

**Schedule:**

**11:30 – 12 noon arrival:** Dogs will be inside until we're all here to avoid confusion and dogs leaking out to the street (or some leaking in). For those using walkers, wheelchairs or recovering from surgeries, please park at the garage and use the ramp to the patio, back of the house and yard. Others may park in front of the shop across from the garage and along the front of the house until it is full. Overflow parking across the street will be marked as such. There will be un-uniformed, unpaid parking attendants available to direct traffic and available parking areas. Don't give them tips! but they might grab a burger before returning to their real jobs.

**12:15 Potluck:** Lunch will be on the patio. Lerry and Sue will provide hamburgers with all the "fixins", chicken and Sue's favorite – cheeseburger salad. We will also provide Water, Iced tea, disposable plates/table service. **All club members, please bring your choice of drink plus a side dish (salad, chips, etc) or dessert.**

**Following lunch (1 pm or so): Business Meeting**

**Please rsvp by July 1, 2024.** Hope to see all of you. We'll have shade.
